Tenerife

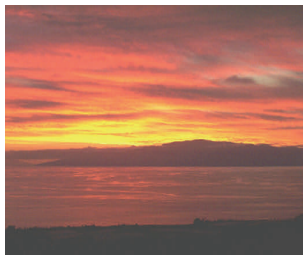

Known as the island of “Eternal Spring” because of the wonderful warm climate that it enjoys the whole year round. An island blessed with breathtaking scenery from the beaches to the pine forests bordering Mount Teide, a volcano recognised as Spain’s highest mountain, which gives its name to one of the most visited national parks in the country.

Los Cristianos, where the church is situated, adjacent to the main bus terminal, was once a small fishing village but has grown over the years to become a bustling holiday resort with many beaches, water sports, golf courses and a variety of shops and restaurants to cater for your various needs during your conference visit.

Should you be accommodated outside of Los

Cristianos then both buses and taxis, that are in plentiful supply, will drop you outside the Apolo Centre.

You can be assured of a warm welcome and a memorable time of fellowship as you meet old friends and develop new ones. Come and join us at the ***Sunday Services*** that are held at 11.00am and 6.00pm. Communion being served during the evening service.
